

## Milestone Early Years Home Activities 'Seasons' Term 5

During our Foundation Stage assemblies we will focus on how unique we all are and celebrate our differences together.

### St Georges Day

We will be taking part in special activities all day on 23<sup>rd</sup> April to celebrate St Georges Day

**Topic Story One**  
Oliver, star of Oliver's Vegetables, is back from his healthy week eating vegetables at his grandpa's house. Suddenly, the fruit at home doesn't seem quite good enough for Oliver. What is his mum to do?

<http://prod.signedstories.com/story-world/families-friendships/olivers-fruit-salad>

Watch the signed story.

We will send home symbols of fruits so you can use these as support when trying new fruits or for choosing favourite fruits.

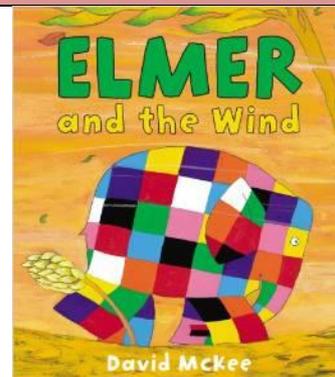

### Sun, Wind and Rain

We will be planting seeds and caring for our seedlings. You might like to do this at home and make a photo diary. Send it in with your child to share.

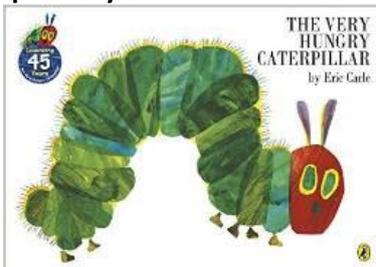

#### Topic Story Two

Aided and abetted by his ventriloquist cousin, Wilbur, Elmer pretends to be blown away on the windiest day.

They make fools of the other elephants, but when the laughter dies down, Elmer reassures them that a heavy elephant is safe in the worst of gales. When he tries to prove it, much to his surprise, he really does get blown away!

#### Topic Story 3

It tells the story of a tiny caterpillar who develops an enormous appetite and proceeds to eat huge quantities of many types of food, until he makes himself feel quite sick.

Listen to the story on

[https://www.youtube.com/watch?v=eXHScpo\\_Vv8](https://www.youtube.com/watch?v=eXHScpo_Vv8)

A great favourite of ours. We know the children will love the many exciting activities for learning that are encouraged within this story. The story helps us promote healthy eating and reinforce numeracy skills.

#### Colours

We will be focusing on orange, yellow and green healthy foods, using them for art work, tasting and number activities.

**Stay and Play**  
**date to be confirmed**

#### Physical Development

When we have time with Richard, some of us will be enjoying the outside and taking part in orienteering. Inside we are using lots of bricks for building, Writedance and Clever Finger activities. We will be continuing with our ball skills and gymnastics.
