

## Pupil Premium Year 7 Catch Up 2014-15

The literacy and numeracy catch-up premium provides schools with an additional £500 for each year 7 pupil who did not achieve at least level 4 in reading and/or maths at the end of key stage 2.

No Year 7 pupils at Milestone Academy achieve Level 4 or above in reading and/or maths at the end of Key Stage 2 due to their learning needs.

There are 16 Year 7 pupils currently. We have received £8000 to support literacy and numeracy for this group. Additionally, we rolled over £1735.84 from last years' budget. Because our year 7 pupils have not reached Level 4 in English or maths we are allocating the budget to be spent across both subjects and all pupils within this group.

Identified Need	Action	Cost	Expected Impact	Impact Achieved July 2014
<b>To narrow the gap for all year 7 pupils in English</b>	Costs to cover English Lead TA to work an additional 2 hours weekly after school to support the English Lead Teacher for academic year 2014-15 and 2015-16	£2000	Year 7 pupils will meet and exceed expected targets in all strands of English	
	Purchase of Nelson Handwriting Package	£843.85
