

End of Term 4 Newsletter

Dear Families

I wish to thank everyone for their continued support of our school. I especially wish to thank the huge number of families who responded to our questionnaire and with so many positive comments.

Whilst these comments will soon be uploaded on to our website, my attention was drawn to the suggestions regarding the length of our termly newsletters.

As such I wish to state that in the future we will look to produce a full newsletter at the end of terms 2, 4 and 6, i.e. Christmas, Easter and Summer and a briefer newsletter at the end of terms 1, 3 and 5.

I will commence this approach from terms 5 and 6 of this current year and I do apologise as there is no full newsletter this term.

Rest assured I have thanked the staff for their ongoing and unstinting efforts in providing a quality education for your sons and daughters.

May I wish you all a restful Easter, and we look forward to the pupil's returning on Tuesday 22nd April.

Kind regards.

Nigel Jones
Principal
