

Milestone Academy Year 7 Catch Up funding 2018-19

In 2018 to 2019, schools were allocating funding on the basis that they received the same overall amount of year 7 catch-up premium funding they received in 2017 to 2018. This was adjusted to reflect the percentage change in the size of the year 7 cohort, based on the October 2018 census.

(number of year 7 pupils recorded on the October 2017 school census ÷ number of year 7 pupils recorded on the October 2018 school census) × the 2017 to 2018 allocation
