

# Mix it up

Made by Timothy Sibson  
Speech and Language Therapy  
Assistant  
Milestone Academy 2018

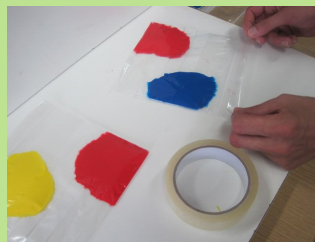

A fun activity to explore the primary colours

## What you will need

- Paints—Primary colours are used in this activity
- Sealable freezer bags
- Shapes, letters or numbers to copy
- Communication systems or chatting sheets

## What to do

**Step 1:** Pour two small puddles of paint into different corners of the freezer bag.

For primary colours mix blue/yellow, blue/red and yellow/red.

Sellotape the opening after sealing

**Step 2:** Mix the colours together by mashing, squashing, etc

Then draw shapes, numbers or letters.

### Communication and requests

I want go/square/blue yellow

I see green circle, I see red 5

Wow/messy/my turn/it change
