Dear Families

Sunscreen Consent Form

If you have already returned the form, please disregard this letter

As children play regularly outside, it is important that they are protected from the sun. It is important that through the summer months all children have an application of sun cream applied to them before playing out in the sun.

Please apply sun cream to your child each morning before coming to school to support with social distancing measures. Can you please send in a named bottle of sun cream for your child, which we will keep in class until the end of term to use during the day if required.

Please sign the consent below to enable staff to apply (using gloves) the sun cream provided.

Please could pupils also bring in a water bottle (named) and please note that following recent Government guidance, no soft toys/bags are to be brought into school - only items that can be wiped.

Many thanks

Milestone Academy
